## How do we serve our community?

### Helping Put Food On The Table

The volunteers in our conferences visit people in need in their homes. We provide them with vouchers for groceries. We inform them about other resources available in Hamilton and we also help them get good quality used furniture and clothing from our thrift stores. We provide hampers and food vouchers at Christmas in addition to toys and gift cards for children in need.

**In 2020, we made 1,126 visits assisting 1,311 adults and 1,061 children providing \$239,265 of food vouchers and goods. During the pandemic we have continued to serve while adhering to all public health protocols.**

### Our Thrift Stores

Our stores have furniture, small appliances, beds, linen and clothing. Come and check out our men's, women's and children's quality clothing, exciting furniture pieces and home décor, vintage records and books and more! Thrifting is fun for everyone, lots of great deals to be had here.

## Working for Social Justice

We are actively working in the areas of education, homelessness and health and wellness.

- **Helping Children Get A Good Education**

We encourage/assist parents of young children to take advantage of our Seeds of Hope program that allows children to access funding through a Canada Learning Bond from the government to support their education. This is at no loss of any government benefits and no cost to the family. In addition, through our Regional Council's "Ozanam Education Fund", we provide funding to our "friends in need", to help them escape the cycle of poverty. This is relative to post-secondary education and apprenticeships. We have clients that have received over \$2,000 for education from the government as well as donations from SSVP that are matched by the government. We also provide scholarships up to \$3,000 to assist children with their education.

- **National Housing Campaign**

We support the St. Vincent de Paul National Housing Campaign because we believe that "Safe, secure and affordable housing is a human right".
